

Hi, my name is **Jacob Norris!**

I'm a Texture Artist at Naughty Dog. I go by the name of **PurePolygons** on the Unreal Marketplace and elsewhere in the 3d community. Sometimes you might see jacob07777 on polycount also.

If you like my work, please feel free to follow me on any of my art pages.

www.artstation.com/artist/purepolygons

www.facebook.com/purepolygons

Follow me on [Gumroad!](#)

And sign up to check back for updates on my gumroad! I will be adding some tutorials in a little bit that you all can follow along with to create your own awesome art or just spruce up on what you already know!
